2009 Membership Drive

Dear Members,

The Parrsboro Culture and Wellness Centre will be a place where our culture will flourish and grow. As a member of the Parrsboro Band Association and its mission to "Save The Hall", we hope that you will be pleased with your association's progress this year. A small team of volunteers has carried the dream forward and now it is time to replenish the coffers and regenerate commitment. All of you, our 600 members, can help by simply renewing your membership. You can help even more by occasionally contributing time.

This year we ask a little more of you: not only an increase in the membership fee, from 5 to 10 dollars, but also a request that, should you be able, you increase your involvement by offering volunteer services and by encouraging others to become members. In order to attract government funds and corporate donors we need proof of a strong and dedicated community. Remember, we are a registered charity offering tax receipts for donations. Please be as generous as possible as we move into the next phase of our development. This year we have added a list of volunteer activities. The size and scope of this project is enormous. Opportunities to fulfill the vision abound. Simply put: the more volunteers, the easier the job. Please 'check' your area of interest and reap the reward of knowing that you did your part to help turn a worthy vision into a vivid reality.

We've made it easier to renew or to become a member.

You can either fill out the flip side of this membership form and mail it in to
